

Support of the civil society initiative “For Fair and Transparent Customs”

About of Project:

The project “Support of the civil society initiative “For Fair and Transparent Customs” was launched within the framework of the Trade Facilitation Dialogue project implemented by the Institute for Economic Research and Policy Consulting during 2014-2018 with the financial support of the European Union and the International Renaissance Foundation.

THE OVERALL OBJECTIVE OF THE ACTION is to enhance the capacity of civil society to engage in economic policy making in Ukraine

SPECIFIC OBJECTIVES:

- > Strengthen civil society initiative “For Fair and Transparent Customs”
- > Facilitate policy dialogue between civil society and public authorities aimed at implementation of customs reform

TARGET GROUPS: Participants in the Initiative, business associations, business, national, regional and local government, other non-government organizations

The project provides for an annual **survey** of at least 1,000 exporting / importing enterprises throughout Ukraine to assess the activities of customs authorities, the implementation of reforms in the customs sphere, as well as the activities and plans of entrepreneurs.

ESTIMATED RESULTS:

- > strengthening the capacity and effectiveness of the Initiative
- > intensified policy dialogue between civil society and the state on customs reform matters

PROJECT IMPLEMENTATION PERIOD: 36 months from January 1, 2020
